

If you are organising a party or get together think about:

- **Who you want at your place (THINK before using social media)**
- **Under 18's can only drink if supervised by a “responsible adult”**
- **Managing the type and amount of alcohol people bring**
- **Letting neighbours know you are going to have a party and considering them**
- **How to handle gate-crashers**
- **Registering your party with “party safe”**
- **Friends getting home safely**
